Remz Mobile Bed by Forbes

This versatile and functional mobile bed is designed as a regular single bed to be fitted in standard guest rooms for maximum comfort and convenience.

Now your guests can enjoy conventional comfort from both regular and pillow-top mattress options. The Mobile Bed is a practical and cost-effective solution in increasing capacity as well as revenue. It is a perfect extra-bed that is easy and safe to handle. It maneuvers unobtrusively through lifts, passage ways and doorways safely and sturdily. With its user-friendly design and superior quality, REMS Mobile Bed assures your guests of comfortable sleep of the highest level of satisfaction.

REMZ Mobile Bed is the only extra-bed option you need.

Move with ease and set up in minutes a REMZ Mobile Bed by Forbes to solve capacity problems and increase revenue!

5. Height (Headboard): 28 cm

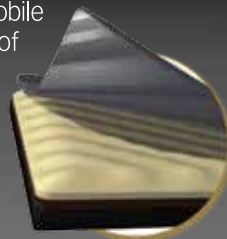

* Images for illustration purposes only. Actual product specifications may vary.

Bed Frame

1. Frame: Single-piece welded tubular frame re-enforced by two additional cross tubular-bars ensuring maximum support, sturdiness and durability.
2. Wheels: 3 inch diameter rubber castors for maximum mobility and quietness

3. Platform: 1 and a half inch wooden platform padded with 40 mm HD foam upholstered in simulated leather for maximum comfort.
4. Headboard: Padded with 40 mm HD foam upholstered in PVC doubling up as a base supporting the Mobile Bed in a safe, sturdy and convenient up-right position for easy storage. The castors on the back of the headboard increase maneuverability and mobility.

Mattress

1. Size: 36" (W) x 75" (L) x 8" (T) (91x190x20 cm)
2. Innerspring Type: Bonnel spring unit with 312 coils.
3. Spring Count: 24 x 13
4. Ticking: Upholstery construction finished with high quality damask ticking with option of fire-retardant treatment to meet prevailing flammability standards.
5. Mattress Quilting Design: Deep and large diamond shaped quilt-pattern to provide comfort and enhance durability.
6. Mattress Construction: One sided, Non-Flip for reduced disturbance.
7. Border Panel: Upholstered and quilted with 10 mm foam backing in the same damask ticking.
8. Border Wire: 4 numbers of re-enforced C-rings installed to strengthen the borders in preventing pre-mature sag.
9. Mattress Strap: 1½" High resilience nylon strap to hold mattress and pillow in secure position when in up-right position.

Unlike conventional extra beds that tend to compromise comfort for storage and flexibility, REMZ Mobile Bed by Forbes is designed to give the same level of comfort as any conventional and permanent beds. There are no unsightly and potentially hazardous sharp corners and exposed metal parts to worry about. Your guests will love the superior feel and comfort of REMS Mobile Bed that is carefully designed to ensure undisturbed sleep in any room environment.
