Compact, Versatile and Mobile!

TrolleyMate

With TrolleyMate comes a creative solution that greatly lightens the chores of providing prompt and swift housekeeping services. The constant sights of often bulky, clumsy and untidy carts lining the otherwise posh corridor will be a thing of the past!

Compact, versatile and mobile, Forbes' TrolleyMate is the result of frequent feedback from housekeeping experts and professionals on the ideal equipment that will suit today's environment. Painstakingly designed and made of high quality materials, TrolleyMate is a creative, cost-effective and user-friendly solution that combines aesthetics and practical features.

Not only is TrolleyMate a complementary solution for the delivery of quick and quality turndown service, it is an appropriate sole solution in ensuring equipment-free corridors without any compromise on efficiency, quality and most importantly, workplace safety!
